July 15, 2017 Summer Member Meeting

Minutes

The PNAI general meeting was held at the home of Larry and Mary Walsh from 3-4 pm. A total of 11 members was present, a quorum is 9 members.

Agenda/topics

1. The treasurer's report was received and accepted, our bank balance is \$11,169.
3. Reports were received from president and continuing education chair.
4. Old business included a discussion of IVIPS.
5. New business included

Discussion of continuing education. 15 hours per year plus one ethics hour are required on the date of PI license renewal for licensed members. The requirement is being met by those with recent renewals. Attendees were polled for ideas that might be turned into PNAI presentations.

Discussion of IVIPS. PNAI and WALI are collaborating on member surveys to find how the current notification program is working. Results will be presented to DOL with a hope that notification of plate-holders will be stopped.

Discussion of membership committee. Gordon Medley, our webmaster, will notify Larry Walsh when new applications are received. Larry will do the background check and may poll the membership about new applicants.

Gordon Mitchell provided half an hour of training in a tabletop exercise around a firing situation. Attendees can count it for a portion of the ethics requirement in PNAI's continuing education program.

Don Bambenek and Larry Walsh received certificates recognizing their years of commitment and great contributions to PNAI.

Respectfully, Gordon Mitchell, PNAI Secretary
